FIXED PRICE LIST

Premature holiday greetings to ya'll. We figured that we had better get to you quickly before you spend all of your money for Christmas gifts. This list contains many rare tokens and medals as well as common material - enough to please the entire spectrum of collector interest in many fields. As usual, we begin our offering with reference books. Aaron Feldman advertises "Buy the book before the coin" and this is even more true with tokens and medals.

Columbiana by Nathan N. Eglit \$5.00
Christmas Tokens and Medals by Arlie Slabaugh \$1.00
Prisoner of War Monies and Medals by Arlie Slabaugh \$1.00
Price Catalog of Hard Times Tokens by Hewitt \$1.00
Military Tokens of the United States 1866-1969 by James Curto \$12.50
So-Called Dollars by Hibler and Kappen \$9.50
The Official Inaugural Medals of the Presidents of the United States by Richard Dusterberg \$7.95
Civil War Patriotic Tokens by George and Melvin Fuld \$1.00
U.S. Civil War Storecards by George and Melvin Fuld \$25.00
Masonic Chapter Pennies by King (new hardback reprint) \$15.00
American Business Tokens by Benj. Wright (new hardback reprint) \$10.00
Catalogue of California Trade Tokens Vol. 1. by Stephen Album \$8.00
Register of the Confederate Debt (by using this book, one can determine the number of notes etc. issued for the various combinations of signatures. \$15.00
American Colonial History Illustrated by Contemporary Medals (new hardback reprint with prices) \$15.00 (by Betts).

You will note that along with this list comes a brochure for Franklin Mint Christmas products. We do not usually handle modern medals because in all frankness we feel that they are generally overpriced in relation to what the purchaser can realize when he wishes to resell them. The salient exception to this seems to be the Franklin Mint Christmas Line. Almost without exception, prior FM Christmas products now command higher dealer buy offers than the original retail price. We continue to feel that this year's line is both beautiful and a good investment. As of this writing, we have not received our order, but we expect it momentarily. Your order will be shipped as soon as possible thereafter.

We also handle most of the widely advertised .999 silver ingots. We do not recommend these items as investments in the monetary sense, but as investments in the pleasure of collecting and esthetic enjoyment. The following are priced at \$3.50 each or 10 for \$32.50:

John F. Kennedy	Abraham Lincoln	The General (train)
Spirit of St. Louis (plane)	1903 Cadillac	1972 Thanksgiving
Peace symbol	Buffalo	Indian
Majestic Eagle	Old Ironsides	Liberty Bell
Flags	Presidential Cameos in Silver (6 bars with presidents appearing on our coinage)	set \$30.00

100 different obsolete transportation tokens \$10.50
